

Application for Travel Support - Geology Field Fund
Geology Department - Union College
2003-2004 Academic Year

The Geology Department has established the Geology Field Fund through the generous donations of Union College Geology Alumni. By establishing this fund, we recognise the need to help all students get an opportunity to go on both credit and non-credit trips field excursions. To insure a relatively fair allocation of our limited funds, your application will be evaluated by members of the Geology Department (those other than the trip leader) on the basis of scholarship and need. You are encouraged to apply *even* if you do not presently receive financial aid.

Note: Late applications will NOT be considered.

Carbonate Sedimentology Due: 1 October 2003 (Olin 310)

Other excursions: due date varies
